NAS members

Affordable cover for legal liabilities,
equipment, trusted persons and more

Down to earth protection from a UK broker

We joined forces with the National Allotment Society in 2020, working together to develop an affordable insurance scheme that meets the varied needs of NAS members.

When you contact us for a quote, we'll work with you to select the elements you need and the levels of cover that best suit your requirements. And, of course, we can advise you if you're unsure of anything. We want you to be confident in your cover.

Here's what's typically included:

Public Liability Insurance

This policy can provide up to £10m for injury or damage to a third party or their property, covering legal costs incurred and compensation awarded. This automatically includes the liability of the members of the association and can also be extended to include the liability of the landlord upon request.

Employers' Liability Insurance

This policy is a legal requirement if you have any employees or volunteers. It can pay up to £10m to cover any legal costs and claims if your association is held responsible for the injury, death or disease of employees and volunteers.

Trusted Persons Insurance

Designed to protect key, trusted individuals within the association, this policy protects against claims of errors, acts and omissions in the course of carrying out not-for-profit duties. It covers the costs of defence, management and payment of claims up to a limit of £100,000.

Did you know...?

Every policy purchased supports the NAS and the services they provide to members

Cup & Trophy Protection

We know you work hard to win plaquidts and awards, which is why we're able to help you arrange protection for any cups and trophies owned by the association. If they're ever lost or damaged, they can be replaced.

Abandoned Events Cover

This handy policy is designed to reimburse the association if any events you're organising have to be cancelled due to unforeseen circumstances. This protection is automatically included when you have Buildings & Equipment Insurance in place.

Loss of Money Insurance

If money is lost on its way to the bank, or while temporarily at the home of association, club or society officials, this policy will replace the sums lost so the association isn't left out of pocket.

SPECIAL MEMBER RATES

Cover starts at just £66 for the year – and NAS members also receive a 25% discount. Just mention you're a member when you call for a quote. Call us FREE on 01424 205001 and speak to an Allotment Association Insurance expert or request a callback at www.chrisknott.co.uk/nas.

All covers may be subject to endorsements, conditions or warranties. Policy section exclusions will apply and can be found within the policy wording.
